ABOUT US

The Mastic Beach Hebrew Center is a Reform Temple that takes pride in offering a relaxed, inclusive friendly atmosphere, welcoming all – including and especially - families of mixed religious backgrounds. Each Friday night, our services are conducted in both Hebrew and English, and the Torah is read. The service is followed by an Oneg Shabbat where all can relax and catch up with one another.

High Holiday services are included in temple membership. Tickets are available for a small fee to non-members wishing to join us. All of our fees are extremely reasonable.

RELIGIOUS SCHOOL

To help our children become a more active part of the Jewish community at large, our school offers a comprehensive curriculum. Our religious school meets on Saturday mornings for two hours. We welcome students to join as young as first grade and continue through to the completion of their bar or bat mitzvah year. Our school offers an accelerated Hebrew program as well as a Special Needs class in order to meet each student at his or her own level.

PRE-ALEPH

For those children not yet ready for religious school, we offer a Pre-Aleph class. This class teaches children about Jewish customs and holidays in a fun learning environment.

SISTERHOOD

The mission of the MBHC Sisterhood is to help develop a sense of community amongst our geographically and culturally diverse membership. We do this by coordinating a myriad of social, educational, and community outreach programs throughout the year and supporting the needs of the temple and religious school.
